MEMO ENDORSED

Re: Nine West Development Corporation and Nine West Footwear
Corporation v. Armon Invento and Does 1-10, 07 Civ. 7533(DLC)

Dear Judge Cote:

We write as attorneys for plaintiffs in the above-referenced action to request an adjournment of the initial conference scheduled for Friday, February 15, 2008, at 9:30 a.m., for a period of thirty days. One previous request for adjournment has been made.

This matter concerns the deceptive use of plaintiffs' NINE WEST trademark through the posting of false advertisements and solicitations on a social networking Web site. In addition to constituting trademark infringement, the gravamen of the complaint is that the named defendant solicited photographs from young females, ages 13-25, asking them to appear for auditions as Nine West models.

After commencing the action against "Does 1-10," through the use of subpoenas, we identified and served the named defendant. He resides outside the district and, to our knowledge, has not retained counsel, despite our urging him to do so.

We are in the process of attempting to resolve the matter without the need for the Court's further involvement. Additional time would allow us to continue those efforts.

*The conference is adjourned to
March 14 at 11:00 am. There shall
be no further adjournment.
